13. What can you do to become a better worshiper of God?

14. How can we pray for one another this week?

Quotes to Ponder:

Worship is the goal of God's whole work of redemption.

Worship occurs any time the greatness of God pierces the veil of our soul's dimness and the shaft of divine light causes us to say "Oh!" (Romans 11:33-36) in wonder and amazement. Anything that moves us, anything about which we marvel and turn back to God in praise, is true spiritual worship.

Andrew M. Davis

The chief end of man is to glorify God BY enjoying Him forever.

God is most glorified in us when we are most satisfied in Him.

John Piper

So then, let every saint praise Him, but especially the congregation of saints; when they come together, let them join in praising God. The more the better; it is the more like heaven.

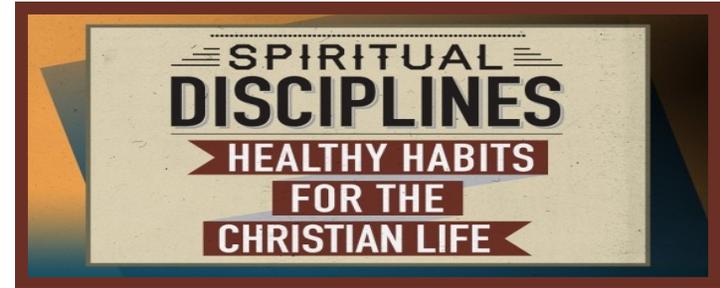

Matthew Henry

We must be aware of what we are saying and doing if we want to avoid ... addressing Him in prayer or song without thinking of Him and if we want actual worship in our acts of worship.

Donald S. Whitney

God wants people who worship Him from the heart, and from a mind that is informed of who He is by His Word. Worship that honors God must be in Spirit and in truth.
