

In *Romans 2* who is Paul addressing?

Why were they *without excuse*?

How did most of the Jewish people believe they were saved?

Why do self-righteous people think they will escape God's judgment?

Why do the self-righteous religious' judgments on others condemn themselves (*Romans 2:1*)?

Why is judging others sometimes both necessary and right? When is it wrong? How can you know the difference?

What does *Romans 2:2-3* tell us about the self-righteous?

What is the purpose of God's *kindness, forbearance, & patience* (*Romans 2:4*)?

Read *Luke 13:2-5*. What is the point that Jesus was making here and how does it fit with *Romans 2:1-5*?

What is the meaning of the phrase in *Romans 2:5* that says *you are storing up wrath for yourself*?

What do most people today believe about God & His judgments?

How are those who reject God characterized in *Romans 2:5*?

Read *Psalms 107:8*. Are you doing this? Examine your life & take note of the places where you've seen God's goodness & kindness at work. Then think of the many sins you've committed and what they deserve. Are you thankful for God's *kindness, forbearance, & patience*? Have you told Him?

Read *Matthew 5:21-48*. Have any of these sins become characteristic of you? How can you bring your thoughts captive to Christ (*2 Corinthians 10:4-5*)?
