

What is the point of *Romans 3:9-18*?

Does Paul say that all people sin in all these ways all the time? Does no one do anything good? What is the point of this?

Why is my speech so depraved (*Romans 3:13-14*)?

How do I see evidence of sinful speech in my own life?

Read & meditate on *James 3:1-12*. What is one way I could begin to control my tongue? Who can help me reduce the sins of my tongue?

What do these verses teach about our speech?

2 Timothy 2:16~

Matthew 15:11~

James 1:19~

Ephesians 4:29~

James 1:26~

Ephesians 5:4~

James 3:9-10~

How is humanity described in *Romans 3:15-18*?

What does it mean to have a *fear of God* (*Romans 3:18*)?

What are some consequences of not having a *fear of God*?

Some say that fearing God is an Old Testament concept and that the New Testament emphasizes His love. How would you respond? What Scriptures would you use to refute this?

How would you answer someone who claims that his sin has brought him happiness that he lacked when he tried to obey God?
