Write down the name(s) of people with whom you want to share Jesus with. Are you praying for them? If not, will you start now?

What loving, sensitive steps are you willing to take in order to seek ways of intentionally sharing Jesus with those you are praying for?

Do you agree that *the more Christ-like our lives are, the more convincing our words about Christ will be*? Can you think of an example from your life?

**Evangelism quotes:**

*Evangelism is not a professional job for a few trained men, but is instead the unrelenting responsibility of every person who belongs to the company of Jesus.*

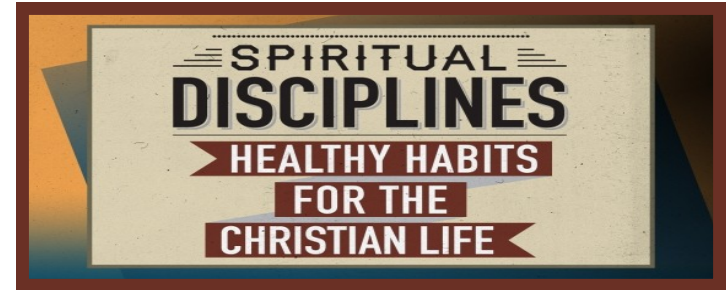

Elton Trueblood

*I am convinced, that friendships provide the most fertile soil for evangelism. When the reality of Christ is introduced into a relationship of love and trust that has already been established, the effect is powerful. And it seems that invariably, when someone becomes a true follower of Christ, that person's first impulse is to want to find a friend and introduce that friend to Christ.*

John MacArthur

*Any method of evangelism will work if God is in it.*
