

14. How are you praying for ABC this week?

### Quotes to Ponder

*Those who think too much of themselves don't think enough.*

Amy Carmichael

*For so blindly do we all rush in the direction of self-love that everyone thinks he has a good reason for exalting himself and despising all others in comparison.... There is no other remedy than to pluck up by the roots those most noxious pests, self-love and love of victory.... This the doctrine of Scripture does. For it teaches us to remember that the endowments which God has bestowed upon us are not our own, but His free gifts, and that those who plume themselves upon them betray their ingratitude.*

John Calvin

*The world's smallest package is a man wrapped up in himself.*

Charles Swindoll

*A life of humility is not an option for a believer to choose or reject. It is a command of God.... Humility is not an optional add-on for the super-spiritual; it is for all believers to practice in our daily lives.*

Jerry Bridges

*This passage utterly destroys the notion that a Christian can be committed to Christ but be inactive in His service, that he can love the Lord but not obey the Lord, that he can be surrendered to the Lord but not minister for the Lord. True worship cannot be divorced from service.*

John MacArthur

*Despite all the warnings our culture gives about the danger of low self-esteem, the real danger is self-centeredness and egocentricity.*

Timothy Keller

*Faith ... always holds two things before believers: we are sinners, but we are being redeemed by grace. Faith teaches that we are not who we think we are. We are not indispensable, but neither are we useless. Faith holds fast to the promise that despite ourselves the Holy Spirit can and does use us as instruments of God.*

James Edwards
